### Weak signals explorer

# Something unknown to many?

What is at the forefront of development or is still bubbling under the surface, hiding or drowning in noise?

#### **Something strange**

What is confusing, surprising or makes you laugh?

#### Somewhere else

What has happened somewhere else that is hard to imagine here?

## Something difficult to talk about

What is forbidden or difficult to take up? What is taboo or stirs strong emotions?

**FURTHER INSTRUCTIONS** can be found at www.sitra.fi/en/cases/weak-signals-explorer
